Brough Golf Club raises thousands for 'Cardiac Risk in the Young'

The Loncaster family would like to thank the 2021-2022 Captain and Lady Captain of Brough Golf Club, East Yorkshire for supporting and fundraising for 'Cardiac Risk in the Young' specifically Jamie Loncaster's Memorial Fund held at CRY.

Many years ago in 2005/2006 Jamie attended Building Bricks Pre-School Nursery for two days per week in the year before he started at Swanland Primary School. At that time the business was owned and run by Jean Lawrence and she was deeply saddened when she heard about Jamie's sudden death in March 2015.

Jean has been a member at Brough Golf Club for many years and in 2021 she was elected as the Lady Captain for the forthcoming year. Jean very quickly made contact with Graham & Jenny Loncaster to ask if she could nominate CRY and Jamie's Fund as her chosen charity for her captaincy year. Even though Jamie died almost a decade after attending Building Bricks, Jean continues to remember him fondly, especially his enthusiasm - for everything!

In spite of Covid-19 limiting the extent of fundraising possible during the year, the members, visitors and friends of Brough Golf Club raised an amazing **£4,432.50** for Jamie's memorial fund at CRY. A cheque payable to CRY was presented to Jamie's parents in February 2022 and a few photographs were taken at the event for sharing on social media pages.

Brough Golf Club hopes to continue raising awareness of Cardiac Risk in the Young amongst their members and visitors to ensure that as many young people as possible have the opportunity to have their hearts screened.

L-R: Glenn Dunn (Captain); Jean Lawrence (Ladies Captain); Jenny & Graham Loncaster
