Heart Screenings with 'Cardiac Risk in the Young' – October 2026

We are pleased to confirm that **Cardiac Risk in the Young** will be joining us to host our final two day heart screening event at South Hunsley School on the weekend of **10th & 11th October 2026**.

Anyone aged 14-35 is eligible to book a FREE heart screening.

Please see below the instructions for booking an appointment. These details were sent to us by the screening coordinator at CRY and all booking related queries should be directed to CRY please.

Please only book an appointment if you are going to be available - these places are in huge demand.

1. Visit www.testmyheart.org.uk/private - or scan the QR code below:

2. Scroll to find:

South Hunsley School / Melton North Ferriby

a. **Saturday 10th October 2026.**

or

b. **Sunday 11th October 2026.**

3. Click Register.

4. The password for this screening is: **Jamie2026** (case sensitive)

5. Select a time slot and click 'register now'.

6. Fill in the required details on the health questionnaire – this will take approximately 15 minutes.

7. Once the appointment is booked, you should receive a confirmation email, which will include a consent form.

8. Please download, then read and carefully complete the form then take it with you to your appointment on the day.

These heart screenings are Jamie's Legacy to the local community and have been made possible thanks to generous past donations to his memorial fund at **Cardiac Risk in the Young**.

Sadly, this will be our LAST scheduled screening event for the foreseeable future.
