3,000th Young Person Screened by the Jamie Loncaster Memorial Fund.

Sunday 19th October saw the 3,000th heart screening by the **Jamie Loncaster Memorial Fund** with CRY and was marked when the Jamie's cousins, Alex & Katie Burns, attended for a screening. Jamie's brother, Ross Loncaster, also attended for a screening on the same day and was pleased to be able to join Alex and Katie to mark this milestone event for Jamie's legacy of heart screenings.

All have previously fundraised for CRY with Alex and Katie both having completed the London Landmarks half marathon in recent years.

L-R: Katie Burns; Alex Burns; Jenny Loncaster; Ross Loncaster; Graham Loncaster

Jamie's legacy of heart screenings has been made possible by generous past donations from family, friends and fundraisers for which the Loncaster family are extremely grateful.
