## 2,000<sup>th</sup> Young Person Screened by the Jamie Loncaster Memorial Fund.

At the two-day heart screening event in April 2023 the memorial fund saw its 2,000<sup>th</sup> young person screened in Jamie's memory.

Brother and sister, Oliver & Charlotte Tyler, (pupils of South Hunsley School & Sixth Form College) were pleased to join Graham & Jenny, to promote awareness of **Cardiac Risk in the Young**.

As Oliver & Charlotte came to the screening together, we opted to ask both of them to be included in the photo to mark the fund passing its 2,000<sup>th</sup> screening.

The next scheduled screening event by Jamie's Fund is to be held in October 2023 and is open to anyone aged 14-35. It will again be held at South Hunsley School and Sixth Form College in Melton.
